After Hours classes

New Class

15 MINUTE RULE: To prevent injury participants arriving more than 15 minutes late are not allowed into class as the warm up section will have been missed.

Many *After Hours* classes are suitable for beginners unless indicated. Where classes are aimed at a certain level, the following information can be used as a guide:

- Beginners** [B] - fun classes to learn the basics.
- Improvers** [I] - progression to develop your skills and confidence.
- Improvers+** [I+] - a more demanding class to perfect your technique.

After Hours

WHAT TO WEAR: Wear anything comfortable that allows you to move freely - tracksuit bottoms/leggings and a t-shirt are suitable for most classes. We recommend trainers for hip-hop and shoes with a small heel for salsa.

If you have tap, ballet or jazz shoes please wear accordingly. Please note that we do not allow black-soled trainers or outdoor shoes in our studios.

POINTE SHOES: These may only be worn in advanced ballet classes after discussion with the class teacher.

CLASS DESCRIPTIONS

BALLET

The examination structure of the ISTD (Cecchetti) faculty is designed to cater equally for those pursuing dance purely as a leisure activity and for those who wish to progress to making dance their profession, either as a performer or dance teacher.

Ballet - Grade Examinations (Grades 1-6)

Cecchetti graded examinations are accredited by the QCA. Introductory and Primary levels precede the grades. Grades 1-6 for examination require two classes per week and some additional exam practice may be required. Grades prior to Grade 1, that is, introductory and Primary.

Ballet - Class Examinations (Standards 1-7)

Cecchetti class examinations require one class per week but some additional exam practice may be required. In these examinations the teacher is present in the room to conduct exercises learnt in class.

Ballet - Vocational Grades

The Vocational Grades, accredited by the QCA, include Intermediate Foundation, Intermediate, Advanced 1 and Advanced 2. These examinations form a cohesive bridge between the work covered in the grades and professional examinations.

MODERN THEATRE DANCE

Junior Modern

Fun modern class for beginners with flair.

Jazz Workshop

A great class to improve your technique and further your knowledge in a variety of jazz styles from stage to street.
